

We encourage you to stay in the lodges with us if you can; however, there are cabins and campsites available at Lake Fort Smith State Park. You will need to make your own reservations for these, and you will pay for these. Even though you are staying in a cabin or at a campsite, all meals are covered for you with your registration fee.

There are also hotels available in Alma, Arkansas. Alma is 23 miles from Lake Fort Smith State Park via Hwy I-49, and 21 miles via Hwy 71. It is roughly a 30-minute drive. You are responsible for your hotel charges, and all your meals are covered at camp with your registration fee.
