

Per Day Rate Chart for Ozark Christian Camp

We encourage you to come as a family and spend all four days with us at camp; however, if you are not able to do that, we have set a fee for those coming for just a day or two and spending the night. The fee is \$50 per day per individual. So, two people for one day would be \$100 and this includes meals and lodging.

If you live in the area and are a true Day Camper and plan to eat meals with us, the cost is \$5 per meal per individual. For two people this would be \$10 per meal, so if you eat lunch and supper with us the cost would be \$20 per day.

The registration form has a place on the form for those just spending a few days with us and for True Day Campers who are not spending the night. Please fill out the information on the form and send the registration to us.
